With reference to the General Orders by the Commander in Chief, under date 16th February 1821, publishing to the Army, Extracts from the Minutes of the Honorable the Governor in Council of the 20th December 1820, His Excellency General Sir Alexander Campbell, Baronet and K. C. B. has much gratification in conveying in public orders further Extract from the Minutes of the Honorable the Governor in Council dated 3d July 1821, which cannot fail of removing from Captain Ogilvie's mind, those impressions of deep regret, which must be felt by every military man when under the displeasure of Government.

Extract from the Minutes of the Honorable the Governor in Council, 3d July 1821.

The following Letter from the Adjutant General of the Army is recorded.

(Here enter 5th May No. 1829.)

The Governor in Council proceeds with great satisfaction, on the representation which accompanied the foregoing letter from the Adjutant General of the Army, to record his conviction that the conduct of Captain Ogilvie on the occasion of the late movement of the 1st Battalion 17th Regiment Native Infantry from Cannanore to Secunderabad ought to be relieved from the disapprobation with which it had been noticed in the General Orders by the Commander in Chief, dated 16th February last.—The progress of the Corps appears to have been attended with circumstances peculiarly calamitous from the severe pressure of the Epidemic ; and the increasing numbers of the sick, its sufficient apology for the failure of its resources, rendered it dependent upon the Country, which it traversed, for the means of conveyance.—The irregularities that occurred, arose from the unusual difficulties which the Corps had to contend with—they were the consequence of the distressing predicament in which it found itself placed on the march—but Captain Ogilvie's explanation has satisfied the Governor in Council that he had no personal share in any of those irregularities—that on the contrary he was solicitous, and used every exertion, to prevent them and to protect the Inhabitants.

Remarks by His Excellency The Most Noble The Commander in Chief.

As the opinion of the Court on the relative credit of witnesses examined before it, must be more sure than a judgment drawn from a perusal of the written testimonies, the Finding which acquits Lieutenant Elkin is confirmed.

The Commander in Chief however cannot pass over in silence the extraordinary circumstances recorded on the Proceedings when the Court justly interferred to admonish Lieutenant Elkin against the gross and indecent abuse which he was lavishing on every person connected with the Prosecution, while the Prisoner declared he would not proceed in his defence if curbed in that license, the Court ought to have enforced its principle ; and in the event of the Prisoner's persevering, should have pronounced its award on the already recorded evidence. Where it allowed that the defence of a Prisoner should be made the vehicle of wanton charges against individuals not brought forward as Witnesses and relatively to matters wholly extraneous to the questions in litigation, a door would be opened for the exercise of the most mischievous malignity and insubordination.—It is therefore ordered that Lieutenant Elkin be placed anew under arrest, and that he be brought to trial for scandalous vituperation of his superior Officer Brigadier Vanrenen,

pertinaciously again and again in contempt of the Court's repeated intimation that such detraction had no relevancy to any points agitated.—The Court before which Lieutenant Elkin shall be tried will have to determine whether the imputations on Brigadier Vanrenen were palliated by their having any imaginable bearing on the facts at issue, so as that there was a possibility of their weakening inferences unfavourable for the Prisoner; or whether their introduction into the defence was solely for the indulgence of gratuitous virulence.

By Command.

Military Secretary.

Extract from the Proceedings of a Native General Court Martial held by order of His Excellency the Marquess of Hastings, Commander in Chief, at Sultanpore, (Oude) for the trial of Sepoy Bhopaul Sing of the 2d Battalion 4th Regiment Native Infantry, and all such Prisoners as may be brought before it, assembled on Wednesday the 11th of July, and by adjournment on Thursday the 12th of July 1821.

President.—Bowaney Deen, Subadar Major 2d Battalion 1st Regiment Native Infantry.
Officiating Deputy Judge Advocate.—Captain John B. Pratt, 2d Battalion 4th Regiment Native Infantry.

G. and G. C. B. &c. &c.

&c. Commander in Chief of all the Forces in India, under date the 30th of June 1821, for the trial of Captain William Vincent, 2d Battalion 20th Regiment Native Infantry.

FORT WILLIAM, Friday, 6th July 1821.

President.—Major General Thomas Hardwicke, Artillery.

Judge Advocate.—Captain J. Bryant, Judge Advocate General.

CHARGES.—Captain William Vincent, 2d Battalion 20th Regiment Native Infantry, arraigned by me on the following Charges.

1st.—For conduct unbecoming the character of an Officer and a Gentleman, in having at Fort Marlborough, on the Island of Sumatra, on or about the 10th of April 1820, tampered with Dowkul Puttuck, Havildar, Gunderup Sing, Bussunt Sing, Jalim Sing and Shaick Mookeem, Sepoys, of the Fort Marlborough Local Corps, with the view of inducing them to withhold part of the evidence on the trial of Subadar Shaick Noor Mahomed.

2d.—For having on the same occasion, held to Dowkul Puttuck, Havildar, Gunderup Sing, Bussant Sing, Jalim Sing and Shaick Mookeem, Sepoys of the Fort Marlborough Local Corps, language and arguments tending to create discontent, and endeavouring to impress on them, that the service of the Fort Marlborough Local Battalion was disgraceful to them as Bengal Sepoys.— The whole of such conduct, or any part thereof, being totally subversive of military discipline and in breach of the Articles of War.

Remarks by His Excellency The Most Noble The Commander in Chief.

The Commander in Chief concurs in the decision of the Court the more readily because he is satisfied that certain objectionable points in Captain Vincent's defence were regarded as aggravating the original transgression. Contemplating, however, the length of time during which Capt. Vincent has been in arrest, tho' it arose partly from his summoning from distant quarters witnesses who appears to have been little capable of extenuating his conduct, His Excellency is pleased to remit the penalty: since the publicity of the sentence, with the Commander in Chief's declaration of its being in itself justly measured and applied, must be deemed a serious punishment.

By Command.

(Signed) In Persian character, SHAIK SULLIMAN, Subadar Major, President.

APPROVED AND CONFIRMED.

(Signed) C. COLVILLE, Lieutenant General.

The Commander in Chief has been induced to give his confirmation to what might otherwise appear a rather severe Sentence, from his having on perusal of the Proceedings perceived that the Prisoner's disrespectful message to Lieutenant Collis, was aggravated by having been repeated in the hearing of a Guard (which circumstances ought properly to have been noticed in the Charge,) and before which he further misconducted himself, by insulting the poor woman, whom he had before ill treated, leaving her without a Cloth to cover her, or a Bed to lie upon.

The previous character of the Prisoner besides, does not give reason to expect that he would ever fill the situation of a Native Officer with the respectability required, and he is therefore to be discharged from the Service, agreeably to his Sentence.

HEAD QUARTERS:

CHOULTRY PLAIN, *10th October* 1821.

In publishing to the Army the accompanying Circular Letter, No. 362 in the Judicial Department, under date 28th August, with the Regulation VI. A. D. 1821, The Commander in Chief directs, that the same be entered in the Order Book of every Division, Field Force, District, Garrison, Cantonment, Corps and Department of the Army, and that every Commissioned Officer will be provided at the public expense, with a Copy of the Regulation, it being of importance, that they should be familiar to every individual.

General Sir Alexander Campbell, Baronet and K. C. B. is further pleased to notice, that translations in the native languages will be furnished to Corps and Departments respectively, for the information of the Native Ranks, which are to be preserved as records in Corps, Troops and Companies by the Staff Officer, and Officers Commanding Troops and Companies, in order that the objects of these Regulations and instructions, may be correctly explained and understood by all Ranks, including the Servants attached to the Bazars of Corps.

The great dependence every Corps and individual of the Army, must now repose on the Bazars attached to Corps, renders it essentially necessary, that its efficiency should be most carefully and zealously attended to, and His Excellency The Commander in Chief therefore enjoins the most immediate and particular attention, of Commanding Officers of Corps, to this important part of their duty.

In all cases of Detachments of Corps or small Details, whether under the Command of Native Officers or European or Native Non-Commissioned Officers, Commanding Officers will be responsible, that the Adjutant or Officer parading them explain in the fullest manner, the provisions of these Orders and Regulations necessary for their conduct, and caution them to enforce the strictest obedience to them.

On occasions of individuals passing through the Country, whether on duty or otherwise, The Commander in Chief expects them to observe the most scrupulous attention to the orders of Government, and not only to avoid oppressing the venders, or the inhabitants, but to restrain their Servants, for whose conduct they must be held responsible.

Adjutant General of the Army.

Judge Advocate.—Captain E. B. Craigie, Deputy Judge Advocate General 1st Division Field Army conducting the trial.

CRIME.—Against Lieutenant Emanuel Elkin, of the 2d Battalion 12th Regiment Native Infantry.

For scandalous and infamous behaviour unbecoming the character of an Officer and a Gentleman, and subversive of military subordination in making his defence before a General Court Martial, (held at Cawnpore on the 22d May last and continued by adjournments) the corrupt excuse for advancing several deeply disgraceful imputations against his superior Officer Brigadier Vanrenen; the latter not having been either prosecutor or witness in the cause, and the matter slanderously alleged against him, being utterly unconnected with any question before the Court.

The following Extracts from the confirmed Proceedings of an European General Court Martial assembled at Bombay, on Monday the 2d instant, by order of His Excellency Lieutenant General The Honorable Sir Charles Colville, G. C. B. Commanding His Majesty's and the Honorable Company's Forces serving under the Presidency of Bombay, are published.

2d.—For most culpable and shameful neglect of his duty in not having taken account of what Ordnance Stores were issued from the H. C. S. Ernaad, these Stores being under his immediate charge.

3d.—For not being able to give me any account of the Ordnance Stores, sent from Bombay under his charge.

4th.—For great disrespect to me on board the Bomb Vessel Thames, on Monday the 4th Instant, and on board the H. C. S. Ernaad, on Wednesday the 6th Instant.

Mocha Roads,
10th December 1820.

(Signed) W. JACOB, Lieut.
Comg. Detach. Artillery and in charge of Ordnance Stores.

By order of His Excellency The Commander in Chief.

Bombay Adjt. Genl.'s Office,
29th June 1821.

(Signed) D. LEIGHTON,
Adjutant General of the Army.

FINDING AND SENTENCE.—The Court having maturely weighed and considered all that has been adduced in support of the prosecution, as well as what has been brought forward on the defence, came to the following opinion, on the several charges preferred against Conductor William M'Ginness of the Ordnance Department.

With regard to the 1st Charge, that the Prisoner is guilty of conduct highly irregular, and unbecoming to a Conductor, in being in a state of intoxication on the night of Sunday the 3d December 1820, but that he is not guilty of refusing to proceed on board the Bomb Vessel Thames, with the Ordnance Stores, and the Court do therefore acquit him of this part of the said charge.

That the Prisoner is not guilty of the 2d Charge, and the Court do therefore acquit him of the same.

That the Prisoner is not guilty of the 3d Charge, and the Court do therefore acquit him of the same.

With regard to the 4th Charge, that the Prisoner is guilty of great disrespect to Lieutenant Jacob on board the H. C. Ship Ernaad, on Wednesday the 5th December 1820, but that he is not guilty of great disrespect to Lieutenant Jacob on board the Bomb Vessel Thames, on Monday the 4th December 1820, and they do therefore acquit the Prisoner of this part of the charge.

The Court having found the Prisoner guilty as above specified, do therefore adjudge him, the said Conductor William M'Ginness, to be reduced to the rank of Sub-Conductor.

(Signed) VANS KENNEDY, Judge Advocate General.

(Signed) B. W. D. SEALY, Lieut. Col. 1st Bat. 2d Regt. N. I.

APPROVED AND CONFIRMED.

(Signed) C. COLVILLE, Lieutenant General.

Before giving his confirmation to the above, the Commander in Chief wished to search into the truth or otherwise of the treatment alleged by the Prisoner in his defence, to have been received by him when under arrest, on board the Honorable Company's Ship Ernaad, on her passage from Mocha; the result has shewn his complaint to be groundless, and along with the whole tenor of his observations on the witnesses for the prosecution on his trial goes only to confirm the character he appears to have already established to himself in his Corps of want of respect for his superiors.

True Copy.

G. O. BY GOVERNMENT.

Major General Sir John Malcolm, G. C. B. and K. L. S. having applied for permission to proceed to Europe, the Honorable the Governor in Council has learned with deep concern, that this distinguished Officer is now compelled to quit India on account of the declining state of his health.—The many and important services of Sir John Malcolm in different situations have been so often brought to the notice of the Honorable the Court of Directors by the Supreme Government, that no praise of this Government can add to his high reputation—Although however, it belongs to higher authority to appreciate his services in the late Mahratta War and the settlement of Central India, the Governor in Council cannot on this occasion deny himself the pleasure of discharging the grateful duty of expressing in General Orders the high sense he entertains of the Major General's talents, and of his unwearied and honourable exertion of them for the benefit of his country. Among the individuals who have at different times distinguished themselves in the employment of the Honorable Company, Sir John Malcolm will always hold a very high rank.—His career has been unexampled—for no other servant of the Honorable Company has ever during so long a period been so constantly employed in the conduct of such various and important military and political duties—His great talents were too well known to admit of their being confined to the more limited range of service under his own Presidency.—The exercise of them in different situations has connected him with every Presidency, and rendered him less the servant of any one of them, than of the Indian Empire at large.

Major General Sir John Malcolm is permitted to return to Europe on sick certificate.

By order of the Honorable the Governor in Council.

G. O. By Government.

The Governor in Council having had occasion to observe that claims to pensions have been preferred, admitted and acted upon after a lapse of many years, in violation of the provisions contained in the G. O. of the 11th October 1814, deems it expedient to establish the following rules, respecting pensions to the heirs of Native Officers and Soldiers, Store and Tent Lascars and other public followers who may lose their lives on foreign service, or in battle in India.

In the case of casualties occurring on foreign service, the claim is to be preferred within two years after the date of the casualty, or within one year after the return to the Coast of the Corps or Detachment in which the casualty occurred, and in the case of casualties in battle in India, the claim is to be preferred within one year after the date of the casualty: all claims which may not be preferred within the periods above specified, are to be peremptorily rejected, and the claimants will forfeit all right to pension.

In order that the Troops and their families may be fully acquainted with the intentions of Government on this subject, it is directed that the foregoing regulation shall be inserted in the standing Orders of each Corps and Department in the service, and that Officers Commanding Stations or Corps shall use every possible means to give it general publicity.

All claims to pension on behalf of heirs of Native Soldiers or followers which may be brought forward within the prescribed period shall, in the first instance, be submitted to investigation by a Committee to be formed at the Head Quarters of the Corps, Detachment or Department in which the casualty is stated to have occurred—the proceedings of such Committee are to be conducted in the following form, and if the claim shall appear to the Committee to be just, the proceedings are to be forwarded with the recommendation of the Officer Commanding to the Adjutant General of the Army, after which they will, if approved by the Commander in Chief, be submitted to Government for sanction.

FORM.

Proceedings of a Committee held by order of A.B. Commanding——to investigate claims to pensions preferred by persons stating themselves to be the nearest heirs to Native Soldiers (or public followers, &c.) who have died of wounds received in battle, (or who have lost their lives on Foreign Service.)

Under instructions from the Honorable the Governor in Council, His Excellency The Commander in Chief is pleased to establish as a regulation of the service, that Soldiers, European or Native, shall not be transferred, discharged, or become a casualty in any manner whatever, without having his clothing, as well as other claims as far as practicable discharged, previously to his quitting the Corps.

To give effect to this regulation, it is directed, that when clothing, for the year due, is not in Regimental store, and subject to no other claim, and compensation is consequently required to be drawn, that Abstracts be forwarded to the Clothing Board as soon as the casualty occurs, or official intimation of it is received at the Head Quarters of the Corps, and that on all occasions of discharging Soldiers, of whatever rank, the Abstract for compensation in lieu of clothing, if none be in store, shall be forwarded to the Clothing Board by the same tappal by which the discharge certificates are transmitted, and the Adjutant General of the Army will apprise the Clothing Board of His Excellency the Commander in Chief's sanction to the discharge, in order that the Abstract may be passed, and returned to the Officer Commanding the corps, forthwith.

In conformity with this principle, Officers Commanding Corps, and in charge of Departments will as early as practicable prepare, and transmit to the Clothing Board, Compensation Abstracts for all men who may be entitled to clothing, on the 31st December 1821, and who may have been recommended by the General Invaliding, &c. HEAD QUARTERS : Choultry Plain, *3d November* 1821.

G. O. By the Commander in Chief.

His Excellency The Commander in Chief having had occasion to notice in the examination of the proceedings of the General Invaliding, Pensioning, and Discharging Committees that have assembled under the General Orders of the 4th of July last, the various reasons assigned for the branch of the non-effective establishments to which each individual has been recommended for transfer under the head of "*Why recommended*," is pleased to call the attention of Officers who may hereafter be employed on that duty to the considerations which should guide their judgment, and the decision they are required in reference to the regulations of the service to make.

1st. Much importance attaches to the correct, and explicit filling up of the column of "*appearance and particular marks*," which should fully express the opinion formed of the individual from his appearance, whether robust, weak, sickly, emaciated, or as the case may be, to guide the future disposal of the man.

2d. None but men fit for Garrison and occasional Escort duty, can be useful in a Veteran Battalion, it is therefore only encumbering the service to recommend individuals of any rank whatsoever for that branch of the service who are "*worn out*," "*debilitated*," "*subject to constant sickness*," *or in any way, infirm of body, deaf, or having defective vision*—The object for which those Corps were formed was to give repose to such individuals of the service as had passed beyond their more active days, and were unfit for Field duties, that they might serve a few years in the discharge of Garrison duty previous to being finally transferred to the pension list, the duties of such Corps requiring a certain activity, and fitness to perform service, although not exposed to the *fatigues of Field service*; it must be understood by Committees in passing and recommending men for transfer to Veteran Battalions, that they are to be of a description fit for all duties but the fatigue of long marches, and the exposure incidental to Field service ;—under these explanations, Officers will be guided in all future cases in recommending the transfer of individuals from the effective to the Veteran Battalions, and under the head of "Why recommended" it will be the most appropriate cause to assign, *unfit for Field duty*.

No individual is however eligible to be transferred to the Invalid, or Pension Establishments, unless he has been wounded in the service, has lost his health on actual or foreign service, or been disabled by accident in the execution of his duty, (duty certified) or, has served (20) twenty years.

The individuals who will be fitly recommended for the pension list, are such as are unfit for Field, or Garrison duty from wounds, loss of health, and who from age, debility, chronic complaints, natural or contracted bodily, or mental defects, and not capable of serving with effect to themselves, or advantage to the efficiency of the Corps in a Veteran Battalion--All such individuals are to be recommended for pension on the half pay of their rank, unless they come within the provision of the General Orders by Government dated 15th of July 1807, noted in the margin, full pay is only to be recommended in such cases; or on account of extraordinary length of service, combined with high character, meritorious and distinguished services, which are always to be fully stated by the Committee, and certified by the Commanding Officer of the Corps.

His Lordship in Council is further pleased to publish the following explanation of the term limb, as used in the 7th para. of the 8th and 18th sections of the Code of Regulations dated 11th March 1806, under the head, Invaliding and Pensioning, viz. "It is to be considered "applicable to an arm, a leg, a "hand, or a foot, and such wounds "as deprive a soldier bona fide of "the use of either, shall entitle him "to the pension of full pay. Fingers or toes may be separated "from the body without depriving "the wounded man of the use of "his hand or foot, while in other "cases dislocation of a joint, separation of the tendons, or "stiffness produced by the effect of

Individuals of Veteran Battalions when unfit to continue longer in the full exercise of their duties in such Corps with ease to themselves, and credit to the service, must be selected by Commanding Officers respectively, for transfer to the pension list on all occasions when periodical Committees are assembled; and the Officers Commanding, or in charge, of such Corps will be held responsible to recommend for removal to the pension list *all* such individuals as have become unfit from age, debility, or other cause, it being incompatible with the object of Government to retain individuals of such a description on the strength of Veteran Battalions.

"wounds may entirely disable the "limb from any useful effort. Of "the nature of such wounds and "the extent of debility they produce, the best judgment may be "formed by inspection and from "the opinion of Medical Officers. "The case can seldom be doubtful, "but where doubt exists, the bias "should be towards the favourable "determination."

All Individuals unfit for the service, and who have not served twenty years, or been wounded, or lost their health on service, or disabled by accident in the execution of their duty, must be discharged.

The foregoing rules and regulations equally apply to the European troops of this Presidency, with the exception of their period of service, who are only required to have served ten years in the *Honorable Company's Army in India*, to be eligible for transfer to the non-effective establishment, if unfit for further effective duty.

Assistant Surgeon J. W. Shearman is removed from the 16th Regiment to the 23d Regiment and 2d Battalion.

Assistant Surgeon J. R. Alexander is posted to the 16th Regiment and 2d Battalion.

The undermentioned Officers have obtained leave from their Corps and Stations.

G. O. BY GOVERNMENT.

With reference to the Regulation authorizing the supply of equipments to young Officers proceeding from the Presidency to join their Corps for the first time, The Honorable The Governor in Council is pleased to notify in General Orders that, that indulgence will not be granted to any young Officer who shall have been more than three months resident in India.

FORT ST. GEORGE, 2d November 1821.

G. O. BY GOVERNMENT.

It having been brought to the notice of Government that, in the communications of Officers with the department of Audit, frequent instances occur of the most disrespectful letters being addressed to the Military Auditor General, The Honorable The Governor in Council calls the attention of Officers to the repeated injunctions of the Honorable the Court of Directors, prohibitory of similar improper proceedings.

Letter dated 25th April 1810.

Para. 116. " It is indispensibly necessary to the due execution of the important tho' invidious duties of
" the Office of Audit, that the Military Auditor General should receive every reasonable support from
" Government in the discharge of his official labours, and that any instance of indecorous behaviour towards
" him shall be marked with the displeasure of the Governor in Council.

Letter dated 9th September 1812.

Para. 16. " We have on this and many other occasions, observed, that very unmerited insinuations
" are thrown out by Officers against our Military Auditor General, under, we believe, a mistaken idea
" that a considerable degree of discretion rests with that Officer in enforcing the Pay Regulations of
" Government.

" We consider it to be of importance that the Officers of our Army should clearly understand that the
" Military Auditor General has no discretionary authority, but is bound to enforce the Regulations of
" Government respecting the pay and allowances of the Troops with the utmost strictness and precision."

While the Governor in Council announces that any further instances of disrespect to the Office of Audit, will be considered as a disobedience of the Orders of Government, and treated accordingly, he assures Officers of the most prompt relief being afforded, whenever any case of hardship may be brought under his consideration.

By order of the Honorable the Governor in Council.

The details above drafted from the several Extra Battalions are to be numerically brought upon the strength of the Corps to which they have been posted *on the 1st of December proximo*, and are to be paid, mustered, and returned, as Detachments of such Corps of the line respectively, until each shall reach its Battalion Head Quarters.

With reference to the General Orders by the Commander in Chief of the 1st Instant, fixing the 31st of December next, as the date from which all individuals transferred to the Non-Effective Establishment, shall be struck off the strength of Corps, it is now directed, that those to be invalided and pensioned from the Six Extra Battalions (and who have not consequently been included in the numbers drafted) shall be struck off the effective strength of the Extra Battalions to which they respectively belong, *on the 30th Instant*, and received upon the strength of the Non-Effective Establishment *on the 1st of December* 1821.—Those who are pensioned will remain at their present Stations until their Pension Certificates are delivered to them by the Commanding or Staff Officers, and those transferred to Veteran Battalions, will be furnished with Pay Certificates and Passports as soon as the Veteran Battalions to which they are posted, is notified to Battalion Head Quarters.

Commanding Officers of Extra Battalions will furnish to Commanding Officers of Veteran Battalions, accurate Registers of the several ranks transferred to those Corps.

Each *Individual* of whatever rank, drafted to Corps of the line, transferred to Veteran Battalions, or pensioned from the Six Extra Battalions, is to be furnished with a Pay Certificate before he quits the Corps.

The Artificers, Bazar Establishment, and Toties attached to the Six Extra Battalions are to be discharged on the 30th Instant, and orders will hereafter be issued for the disposal of the Staff Serjeants and Native Dressers.

Accurate Register Rolls of the drafts from the Extra Battalions, to Corps of the line are to be forwarded as soon as possible after the drafting is completed, to the Officers Commanding Corps.

Nominal Rolls of the Native Officers, shewing to what Corps each is drafted, and the date of their respective Commissions in each rank, are to be transmitted to the Adjutant General of the Army, and also to the Officers Commanding the Corps to which they are transferred.

The Registers to be furnished to Corps must accurately describe each individual's length of service, both in his present, and former Corps, and the date of Commission of each rank of Native Officers, as well as the date of appointment of the non-commissioned in their several grades, in order that each may rank in the Corps to which he is drafted according to his date of Commission, if a Commissioned Officer, or date of appointment if a non-commissioned Officer.

Pay in arrears for November, and advance for December 1821, will be drawn on abstract by Officers Commanding Extra Battalions, and issued to them to complete the settlement of their accounts up to the 30th November 1821, after which the several details will be drawn for by the Officer placed in charge, or if under a Native Officer by the staff Officer of the station where they may be, till they join Battalion Head Quarters.

With reference to the General Order by the Commander in Chief of the 30th October last, all claims for clothing due to individuals, pensioned or discharged from the six Extra Battalions, are to be adjusted by payment of compensation in lieu of such clothing, previously to the individuals quitting their Corps. Abstracts for the amount of such claims, are to be forwarded forthwith to the Clothing Board, agreeably to the provisions of the above General Order.

Compensation in lieu of Clothing due to the six Extra Battalions for the year 1820-21, is to be immediately drawn for, on abstract.

The 3d Extra Battalion not having received Clothing for the year 1819-20, compensation in lieu of it will be drawn for, for Individuals of all ranks who may be entitled to it, and who have been ordered to be invalided, pensioned or discharged—but those drafted into Battalions of the line, from the 3d Extra Battalion, who have clothing for 1819-20 due to them, will have it supplied, at the Head Quarters of the Corps to which they are respectively drafted.—The Commanding Officer of the 3d Extra Battalion, will therefore furnish Certificates in the form of Nominal Rolls, shewing particularly the rank in which each Individual is entitled to receive Clothing for the year 1819-20.—On the receipt of these Rolls, by Officers Commanding Corps, they will transmit them to the Secretary of the Clothing Board, that orders may be given from that Department, for the despatch of the supply on account of the Indents which have already been furnished by the Officer Commanding the 3d Extra Battalion.

The sashes which are due for the year 1819-20, to the non-commissioned Officers of the 1st, 2d, 4th, 5th and 6th Extra Battalions, will be supplied in like manner, and the Officers Commanding those Corps will furnish the several details with certificates accordingly.

Officers Commanding Extra Battalions will report to the Adjutant General for the Commander in Chief's information, the probable period when these arrangements will be completed, in order that detailed Instructions from Head Quarters may be furnished to Officers Commanding Divisions, for the movement of the drafts to join their respective Corps.

The details drafted from Extra Battalions (with the exception of those for the Rifle Corps and Light Infantry Battalions) will march with their arms, accoutrements, small stores, and fixed Garrison proportion of ammunition, and the Drummers, Fifers, and Buglers of all Corps are to take their instruments and accoutrements with them—these are to be struck off the strength of Extra Battalions from the 10th Instant, and numerical returns of them furnished to the Corps to which they are transferred.

All arms, and accoutrements, ammunition, small stores, Artificers' tools, and every other article of Battalion stores, surplus to those furnished to drafts are to be returned into the nearest store immediately, and with reference to the General Order of the 17th September last, all such articles of appointments and store as may be supernumerary in Corps after the drafts join, are to be returned into the nearest store.

With reference to a circular Letter from the Adjutant General's Department, dated 15th September 1821, addressed to Officers Commanding Corps of Native Infantry, His Excellency The Commander in Chief, is pleased to direct, that, after the drafts from the Extra Battalions have been received upon the strength of Corps, the promotion and recruiting in Battalions respectively to fill vacancies will proceed in the usual manner; and in Corps where there may then be vacancies, and no supernumeraries of the rank, that recommendation certificates for the promotion of Native Officers may be forwarded to the Adjutant General's Office, and the promotion of non-commissioned Officers be made agreeable to regulations.

The records of the Extra Battalions with the Books of Regulations, and public vouchers required to be preserved as records, are to be transmitted after the Corps are disembodied, to the Adjutant General's Office, for deposit.

T. H. S. CONWAY,
Adjutant General of the Army.

Remarks and further orders by His Excellency The Most Noble The Commander in Chief.

The verdict having been an acquittal, The Commander in Chief will not call upon the Court to reconsider it. But he must express his astonishment as well as his strongest disapprobation of such a sentence, after the evidence recorded in the Proceedings. Every circumstance supported in the fullest manner the dying declaration of the murdered woman, that her husband was the perpetrator of the act.

The supposition that temporary insanity occasioned the horrid outrage was distinctly negatived by professional testimony. The Commander in Chief, therefore, is led to imagine that some strange notion of the husband's having a right over the life of his wife, must have swayed the Members of the Court. It is on that account ordered that the Court be convened, and that the Officer Commanding at the Station shall explain to the Members how irreconcileable such a conception is to the Law under which they were acting, and how revolting to every sense of justice.

The Court is subsequently to be dissolved.

By Command.

His Excellency General Sir Alexander Campbell, Baronet and K.C.B. having approved and confirmed the foregoing sentence, is pleased at the unanimous recommendation of the Court, to remit the sentence passed upon Ensign Marshall of the 2d Battalion 4th Regiment, lately doing duty with the 2d Battalion 10th Regiment, and the Commander in Chief confidently hopes, that in this exercise of lenity influenced by the Prisoner's youth, and inexperience, he will have the satisfaction to learn, that it restores to the Service a young Officer, whose future career will be directed to evince, by the most exemplary conduct, that he is worthy of the clemency thus extended to him.

The following Extracts from the confirmed Proceedings of a Native General Court Martial, held at Bangalore, on the 5th, 9th and 15th days of November 1821, by virtue of a warrant from His Excellency General Sir Alexander Campbell, Bart. and K. C. B. Commander in Chief, are published.

CRIME.—Gooriah, Private No. 31, Grenadiers 2d Battalion 9th Regiment N. I. confined by me,

For aiding and assisting Dassoo, Private No. 25, Grenadiers 2d Battalion 9th Regiment N. I. on or about the 21st Instant, in breaking open the Battalion Paymaster's Cash Chest and using, or allowing to be used, his bayonet and other implements stolen from the Battalion Stores for that purpose, and stealing therefrom certain bags of money containing in gold and silver coins about 659 Rupees, he the Prisoner Gooriah, being on duty at the time as one of the Guard placed over the Cash Chest, for its protection.

(Signed) T. H. SMITH, Major, In charge 2d Battalion 9th Regt. N. I.

By Order.

(Signed) E. W. SNOW, Dept. Adjt. General of the Army.

SENTENCE.—The Court having maturely weighed and considered the evidence on the part of the prosecution, together with that which the prisoner has adduced in his defence, is of opinion, that the Prisoner Gooriah, Private in the 2d Battalion 9th Regiment Native Infantry, is guilty of all and every part of the Charge preferred against him, with the exception of being one of the Guard placed over the Cash Chest for its protection.

The Court having found the Prisoner guilty as above, do sentence him to receive (900) nine hundred lashes on his bare back, and afterwards to be turned out of the Service with every mark of disgrace.

CHARGE.—Subadar Khader Cawn, 1st Battalion 5th Regiment Native Infantry, placed in arrest by order of Colonel Pierce, Commanding at Bangalore, on the complaint of Junglee Bebee, Widow of Shaik Dowd deceased, and late a Puckally in the same Corps, for dishonest, irregular and consequently un-officer-like conduct in the following instances, viz.

1st.—Having caused the whole property of the said Junglee Bebee, some articles of which were gold and silver ornaments of the value of from 350 to 400 Rupees to be seized and removed from her house to his own, by Havildars Abdul Nabbee, and Permaul Naik, also by Privates Mahomed Ibrahim and Shaik Meraun, of the 1st Battalion 5th Regiment Native Infantry, and under the direction of Jemadar Cassim Bheg of the same Corps, between the hours of 6 and 8 in the night of Wednesday the 22d of August 1821 or thereabouts, without the knowledge, and consequently concurrence of his immediate Commanding Officer, the Major of Brigade at Bangalore; but upon the authority of a letter which it was pretended had been received from the brother at Mullagaum of the deceased Puckally, Shaik Dowd through the Post Office at Bangalore, which letter was however forged by Hussain, son of the abovementioned Jemadar Cassim Bheg, as has since been confessed by him, the said Hussain.

2d.—Neglecting to report to his immediate Commanding Officer the Major of Brigade at Bangalore his having so caused the seizure and removal of Junglee Bebee's property until more than thirty six hours had elapsed after the occurrence, during which interval the said Junglee Bebee had preferred a complaint on the subject against Subadar Khader Cawn, and Jemadar Cassim Bheg to the Officer Commanding at Bangalore.

Bangalore, September 11, 1821.

By order of the Commander in Chief.

(Signed) E. W. SNOW, Dep. Adjt. General of the Army.

OPINION and SENTENCE.—The Court having attentively considered the evidence for and against the Prisoner, is of opinion, that the first Charge is substantiated, but the Court acquits the Prisoner of any evil intention therein, it appearing evident that he acted under the supposition that the letter was correct.

The Court finds the Prisoner guilty of the second Charge, but in a mitigated degree, as he withheld the report until an inventory was made of the Property seized.

The Court having found the Prisoner Khader Cawn, Subadar 1st Battalion 5th Regiment Native

Infantry, guilty as above, do sentence him to be privately reprimanded in such manner as His Excellency The Commander in Chief may deem fit.

Officiating Deputy Judge Advocate.

Jemadar Cassim Bheg, 1st Battalion 5th Regiment Native Infantry, placed in arrest by order of Colonel Pierce, Commanding at Bangalore, on the complaint of Junglee Bebee, widow of Shaik Dowd deceased, and late a Puckally in the same Corps, for dishonest, irregular and consequently un-officer-like conduct in the following instances, viz.

1st.—Being present at, and assisting in the seizure, and removal to Subadar Khader Cawn's house by Havildars Abdul Nabbee and Permaul Naik, also by Privates Mahomed Ibrahim, and Shaik Meraun of the 1st Battalion 5th Regiment Native Infantry of the whole property of the said Junglee Bebee, some articles of which were gold and silver ornaments to the value of from 350 to 400 Rupees, between the hours of 6 and 8 in the night of Wednesday the 22d of August 1821 or thereabouts, without the knowledge and consequently concurrence of his immediate Commanding Officer, the Major of Brigade at Bangalore; but upon the authority of a letter which it was pretended had been received from the brother at Mulligaum of the deceased Pukally Shaik Dowd thro' the Post Office at Bangalore, which letter however was forged by Hussain, his own son, as he (the said Hussain) has since confessed.

2d.—Neglecting to give information to his immediate Commanding Officer, the Major of Brigade at Bangalore, of the seizure and removal of Junglee Bebee's property until more than thirty-six hours had elapsed after the occurrence: during which interval, the said Jungle Bebee had preferred a complaint on the subject against Subadar Khader Cawn and Jemadar Cassim Bheg to the Officer Commanding at Bangalore.

Bangalore,
September 11, 1821.

By order of the Commander in Chief.
(Signed) E. W. SNOW,
Dep. Adjt. General of the Army.

OPINION.—The Court is of opinion after having attentively considered the evidence brought before it, that the act of seizing, and causing the removal of Junglee Bebee's property to Khader Cawn, Subadar's house by the Prisoner is proved, but do not attach any criminality thereto, as he (the Prisoner) was not aware of the letter being a forgery, and the complainant was about to desert with property not her own.

The 2d Charge is proved against the Prisoner, but is mitigated by the circumstance of his thinking it necessary to take an inventory of the property seized previous to making his report, and likewise he was acting under the orders of his superior Officer.

The Court having found the Prisoner Cassim Bheg, Jemadar in the 1st Battalion 5th Regiment Native Infantry guilty as above in the 2d Charge, do sentence him to be privately reprimanded in such manner as His Excellency The Commander in Chief may think fit.
